

Enrolment Requirements for PhD Programme in Economics

Admission shall be either :

- (i) to *MPhil Programme in Applied Economics* for those preferring so or
- (ii) to *MPhil Programme* with provisional admission to *PhD Programme in Economics*

Selected candidates under the second category can choose to join the PhD Programme either at the end of the MPhil Coursework, if obtaining a GPA of at least 6.50 for the coursework, or on completing the entire MPhil Programme including dissertation with a GPA of 6.

- Further, such admission to PhD Programme shall be subject to acceptance of their PhD study proposal by the duly appointed committees..
- It must also be noted that all PhD scholars at CDS should, as a rule, have financial assistance from recognised Fellowship sources like the UGC, ICSSR, RBI, International bodies, Endowments at CDS, and Government schemes.
